A letter from Bahiyyih Khanum

Bahiyyih Khanum

March 30, 1924

21

See anonymous\_book\_revelations\_explanations

This talk was likely given by a very knowledgeable early Baha'i scholar due to this statement in the text, "It is beyond the limits of this short essay", and his/her extensive knowledge of Eastern history. The use of A.B.A. indicates that the person doing the hand correcting, was also an early Baha'i because that was the name commonly used for 'Abdu'l-Bahá, particularly by the Persians.
