If anyone wishes to assert copyright over this file, please contact the GRETIL management at gretil(at)sub(dot)uni-goettingen(dot)de. The file will be immediately removed pending resolution of the claim. Distributed under a Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International License.

## Structure of references:

A reference is assembled consisting of

- a pragmatic abbreviation of the title: Jatakamala = ,
- the number of the in arabic numerals,
- the number of the verse in arabic numerals.

## Notes:

This file has been created by mass conversion of GRETIL's Sanskrit corpus from gopjatmu.htm. Due to the heterogeneity of the sources the header markup might be suboptimal. For the sake of transparency the header of the legacy file is documented in the note element below:

Gopadatta: Jatakamala
